---

Sir,

Just to clarify, are we only changing your SOW Scope (Amending) or are you increasing funding on this project?

Very Respectfully,

Kellon Pearson

Kellon,

As we discussed, here is the SOW and cost estimate for an IA with the Army Corps of Engineers. Please set the IA up so that they can begin working on the assessment of the repaired cap area. Please let me know if you have any questions on this.

Thanks,

Gary Miller
